**Request for Quote (RFQ)****Defense Manpower Data Center (DMDC)
Enterprise Information Technology Services (EITS) II
Enterprise Architecture****GSA Order Number: 47QFMA18K0030-0006****Task Type: Firm Fixed Price****Contract Vehicle: EITS II IDIQ**

This is a Request for Quote (RFQ) using the EITS II IDIQ contract awarded via the authority of the AbilityOne program and the procedures under FAR subpart 8.7. The Quoter agrees to and is bound by all instructions, procedures and rules of this RFQ.

RFQ Instructions:

ALL QUOTES MUST BE SUBMITTED VIA GSA'S IT-SOLUTIONS SHOP (ITSS) AT
<http://portal.fas.gsa.gov>.

Questions Due Date/Time: All submission must be submitted on or before **June 21st, 2019 at 3:00 PM EST.** Points of contact for this RFQ are as follows:

Quote Due Date/Time: All submission must be submitted on or before **July 3rd, 2019 at 3:00 PM EST.** Points of contact for this RFQ are as follows:

Rajdeep Singh at rajdeep.singh@gsa.gov

David Long at david.long@gsa.gov

Quote Submittal Instructions:

Please submit a quote using Global Connections to Employment's established labor categories and rates under the Enterprise Information Technology Systems II (EITS II) contract.

The response to this RFQ shall address the following evaluation criteria.

Evaluation Criteria:**Factor 1: Staffing**

The offeror shall present their staffing plan to satisfy the requirements of the PWS.

The Offeror shall provide an editable Excel spreadsheet, using "RFP Attachment 1 – ID03180056001_Pricing Template_Enterprise QA". In the Staffing Template, the Offeror should identify the following for all positions by CLIN:

- Identify all proposed key personnel with an "x" in the column labeled "Key Position*"
- EITS II Labor Category
- Skill Level
- Description of position's functional role

GSA FAS, Mid-Atlantic Region

6/14/2019

- Security Clearance Level
- Government or Contractor Site
- Computing Environment Certifications
- DoD 8570.01M Category
- Location/Work Center (City, Country, Post)
- Number of Positions
- Estimated number of hours
- Calculated subtotals, segregated by the CLINs/subCLINs as delineated in the template.
- Calculated total hours

Under this factor, the Government will evaluate the extent to which the information presents an effective and efficient staffing plan to satisfy the requirements of the PWS

Your quote must be submitted via GSA's IT-Solutions Shop (ITSS) at <http://it-solutions.gsa.gov> by or before the established date and time.

Note: The Government is seeking discounts where practicable.
